Easter Celebration

We celebrated Easter as a family this year! Our Easter Parade had antique and decorated cars! The Steeping Stone Homeschoolers performed several skits and presentations. We had vendor tables with prizes and games, balloon animals, an Easter Egg hunt, a raffle and the Easter Bunny himself even showed up! Fantastic Times!

Employee Recognition Ceremony

Who has the best employees in town? Why Regency, of course! On April 20th, we held a party in their honor, featuring the Employees of the Month and Year for 2021. Way to go ladies and gentlemen! Regency would like to thank all our team members for all that they do! They are amazing!

Cinco de Mayo Party

The essence of Mexico was in the Sun Room as we celebrated Cinco de Mayo on May 5th. Raul Mejia inspired our residents and staff to dance as we all listened to his authentic Latin music. From love songs to rousing dance songs, it was inspirational. Of course, what's a party without great food, so we indulged our taste buds in Mexican flavors with tacos, chips and Mexican Sweet Corn Dip, Gansitos, and Mamuts. What a delight!

Mother's Day Celebration

To celebrate the mothers of our Regency home, we came together in the Sun Room to listen to a brilliant and captivating concert with Emily Joseph on vocals and Jeff Lopez on saxophone. What talent! As our ears were buzzing, we sipped on sweet drinks and savored the treats created just for our residents by the Dietary Department. Immediately after the concert, the residents dressed up for their very own photo shoot with locally famous photographer, Pete Dobbs. Talk about beautiful and handsome! What a great way to say, "Thank you!" to our mothers for all they have done!

ALZ Bingo Fundraiser

June 3rd at 1:30 p.m.

How would you like to be a part of a great cause and have fun participating? On Friday, June 3rd, we'll be renewing our commitment to fundraising for the Alzheimer's Association with a rousing 12 games of bingo. The suggested donation is \$5 per card or three cards for \$15. Come have some fun and participate for great odds at winning some top quality prizes for your apartment!

Father's Day Celebration

June 17th at 1:30 p.m.

Get those motors running! It's that time of year to get a little bit "loud" when the engines from our antique car show roar into the parking lot. We'll also have the Huntsville Concert Band on-site with almost 30 members playing a rousing concert. Gary will have the fryer fired up and will be frying Oreos and funnel cakes. Jason & Company will be here creating custom balloon animals and vehicles. Come and satisfy your desire for cars, food, and fantastic music, as we all join together in celebrating the fathers among us!

Bingo for Prizes with Zoe from Kindred Hospice

June 14th at 1:30 p.m.

Lotion. Hand soap. Books. Coloring tools. Candy. Cookies. Those are just a few of the wonderful items that Zoe with Kindred Hospice brings to her activity. She also ensures that everyone wins two prizes.... sometimes even more. This is your chance to get a few things for your home just for participating and having fun. Can't beat that!

What's Cooking Wednesday and National Waffle Iron Day

June 29th at 2:45 p.m.

Waffles! Those gooey crispy delights topped with delicious goodies. What toppings do you prefer? We'll gather immediately after the concert with JD Pollard in the Sun Room for some Red Velvet Waffles topped with a few different options. Let's find out together what your favorite topping is!

Independence Day Cookout

June 30th from
11:00 a.m. to 1:00 p.m.

Time to fire up the grill and listen to some great music! The Beasley Brothers will be down from Nashville and here on-site for another astounding concert, as we indulge in some fresh BBQ and cookout items. Bring your family and friends and enjoy yet another great event together at Regency!

Chaplin McClaney with Comfort Care

Every Wednesday at 12:45 p.m.

Would you like to hear a rousing "word" every Wednesday? A short sermon applicable to everyday life and delivered in a very unique fashion? Join Chaplin McClaney every Wednesday in the sun room to be edified and encouraged in your daily walk!

National Food Days Wednesdays

Have you noticed the trend on our latest calendars? Of course, we all love food, and especially food that is unique and something we don't have a chance to eat every day. Picking up on this trend, your Activity Department has been celebrating national food days. You'll notice just in the month of June, we'll be indulging in foods such as cheese pizza, donuts, Rocky Road Ice Cream, fresh cut watermelon, waffles, and ice cream floats. Oh my!

THERAPY CORNER

Welcome to another edition of Therapy Corner.

In this month's edition I would like to discuss a topic I revisit from time to time, safety in the home. Most of you reside in an apartment where space is at a premium, so that is where I will start.

Make sure that walkways are clear and clutter-free. I know we like to bring as many things from our homes as possible, but we need to make sure there is enough space in the walkways for wheelchairs and/or walkers. I have experienced too many instances where people have fallen trying to squeeze through tight spaces between furniture.

When arranging the furniture in your bedroom, make sure there is room between the bed and wall for a walker or wheelchair if needed. It may not seem a long distance, but leaving the walker at the foot of the bed and walking to your bedside unsupported increases your fall risk greatly. Please beware of throw rugs. I am not a fan of these and prefer they not be in your home as they are a huge fall risk. However, if you must have them, make sure the edges lie flat and are either adhered to the flooring surface or are heavy enough to not come up.

Lastly, I know we all love our old faithful recliners. We have them broken in and they fit us like a glove. However, time may have made it more difficult to get out of the chair. It may be too low or it might rock. If it takes multiple attempts to get out of the chair, you are at an increased fall risk. Now don't get upset at the thought of parting with your comfy chair. Simple modifications of blocking the rocker aspect or putting the chair on risers can allow you to fix the problem and keep the chair. There is also the option of getting you stronger and more independent in being able to get out of the chair.

I hope you will take these factors into consideration as you look around your apartment. If you are dealing with any of these issues, please have them addressed as soon as possible to decrease your fall risk. If you have questions or need help addressing these issues do not hesitate to contact the therapy department. I hope you find this information helpful.

Until next time...

Your Restore Therapy Family,

Ryan Parden, PTA
